7.5 Corporate Existence. After the Effective Date, the Plan Administrator may decide to (a) maintain each Debtor as a corporation in good standing until such time as all aspects of the Plan pertaining to such Debtor have been completed, or (b) at such time as the Plan Administrator considers appropriate and consistent with the implementation of the Plan pertaining to such Debtor, dissolve such Debtor and complete the winding up of such Debtor without the necessity for any other or further actions to be taken by or on behalf of such dissolving Debtor or its shareholder or any payments to be made in connection therewith subject to the filing of a certificate of dissolution with the appropriate governmental authorities (including, without limitation, the transfer of all or part of the assets of such Debtor to a Liquidating Trust in accordance with Article X of the Plan), or (c) dissolve any Debtor-Controlled Entity and complete the winding up of such Debtor-Controlled Entity in accordance with applicable law; *provided, however*, that the foregoing does not limit the Plan Administrator's ability to otherwise abandon an interest in a Debtor-Controlled Entity.

7.6 Wind-Down. After the Effective Date, pursuant to the Plan, the Plan Administrator shall wind-down, sell and otherwise liquidate assets of the Debtors and/or Debtor-Controlled Entities in accordance with Section 6.1(b)(iii) of the Plan. The wind-down, sale and liquidation of each such Debtor's assets (as determined for federal income tax purposes) shall occur over a period of three years after the Effective Date (it being understood that such liquidation may include the transfer of all or part of the assets of such Debtor to one or more Liquidating Trusts within the meaning of Treas. Reg. § 301.7701-4); *provided, however*, that the wind-down and liquidation may extend over a longer period of time if the Debtors receive a private letter ruling or other equivalent guidance from the IRS from which the Plan Administrator reasonably concludes that the continued wind-down and liquidation should not result in a reduction or limitation of the Debtors' tax attributes for federal income tax purposes that materially impairs the expected actual use of such tax attributes.

7.7 Certificate of Incorporation and By-Laws. As of the Effective Date, the certificate of incorporation and by-laws of each Debtor shall be amended to the extent necessary to carry out the provisions of the Plan. The amended certificate and by-laws of such Debtor (if any) shall be contained in the Plan Supplement.

7.8 Stock Trading Restrictions. The restrictions imposed by the Stock Trading Restrictions Order shall remain effective and binding through the closing of LBHI's Chapter 11 Case.

ARTICLE VIII
Provisions Regarding Voting and Distributions Under the Plan

8.1 Voting of Claims. Each holder of an Allowed Claim in an impaired Class of Claims that is entitled to vote on the Plan pursuant to Article III, Article IV and Article V of the Plan shall be entitled to vote separately to accept or reject the Plan as provided in an order entered by the Bankruptcy Court establishing procedures with respect to the solicitation and tabulation of votes to accept or reject the Plan, or any other order or orders of the Bankruptcy Court.

8.2 Nonconsensual Confirmation. If any impaired Class of Claims entitled to vote on the Plan does not accept the Plan by the requisite majority provided in section 1126(c) of the Bankruptcy Code, the Debtors reserve the right to amend the Plan in accordance with Section 15.6 of the Plan or undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code or both. With respect to impaired Classes of Claims or Equity Interests that are deemed to reject the Plan, the Debtors shall request that the Bankruptcy Code confirm the Plan pursuant to section 1129(b) of the Bankruptcy Code.

8.3 Distributions of Available Cash. On the Effective Date, or as soon thereafter as practicable, after the satisfaction in full of (or the establishment of reserves sufficient for the satisfaction in full of) Allowed Administrative Expense Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims and Allowed Secured Claims (to the extent the Debtor determines to pay such Allowed Secured Claim in Cash) against a Debtor, each Debtor shall make a Distribution of its Available Cash in accordance with the provisions of the Plan to holders of Allowed Claims against such Debtor. After the initial Distribution, each Debtor shall make Distributions of Available Cash in accordance with the Plan to holders of Allowed Claims against such Debtor semi-annually on March 30 and September 30 of each year, provided that each such Distribution in the aggregate is not less than \$10,000,000 of such Debtor's Available Cash. Notwithstanding the foregoing, the Plan Administrator may determine, in its sole discretion (a) to make a Distribution that is less than \$10,000,000 in the aggregate of a Debtor's Available Cash, or (b) not to make a Distribution to the holder of an Allowed Claim (other than a Claim that has become Allowed pursuant to clauses (b), (d) and (e) of Section 1.4 of the Plan) on the basis that it has not yet determined whether to object to such Claim and such Claim shall be treated as a Disputed Claim for purposes of Distributions under the Plan until the Plan Administrator determines (i) not to object to such Claim (or the time to object to Claims expires), (ii) agrees with the holder of such Claim to allow such Claim in an agreed upon amount or (iii) objects to such Claim and such Claim is Allowed by a Final Order. To the extent that a Liquidating Trust is established for a Debtor in accordance with Article X of the Plan, any Distributions to be made to holders of Allowed Claims thereafter shall be made by the Liquidating Trustee to such holders as holders of Liquidating Trust Interests in accordance with the provisions of the Plan. Distributions of Cash on account of such Liquidating Trust Interests shall be made in accordance with Section 10.7 of the Plan.

8.4 Disputed Claims Reserve Holdback. From and after the Effective Date, and until such time as all Disputed Claims have been compromised and settled or determined by Final Order, the Plan Administrator shall, consistent with and subject to section 1123(a)(4) of the Bankruptcy Code, retain from Available Cash an aggregate amount equal to the Pro Rata Share

of the Distributions that would have been made to each holder of a Disputed Claim if such Disputed Claim were an Allowed Claim against such Debtor in an amount equal to the least of (a) the filed amount of such Disputed Claim, (b) the amount determined, to the extent permitted by the Bankruptcy Code and Bankruptcy Rules, by the Bankruptcy Court for purposes of fixing the amount to be retained for such Disputed Claim, and (c) such other amount as may be agreed upon by the holder of such Disputed Claim and the Plan Administrator. On the date of the first Distribution that is at least forty-five (45) days (or such fewer days as may be agreed between the applicable Debtor and the holder of the applicable Disputed Claim) after the date on which a Disputed Claim becomes an Allowed Claim against a Debtor, such Debtor shall remit to the holder of such Allowed Claim Available Cash equal to the ~~lesser of (i) the~~ amount that would have been distributed from the Effective Date through and including the date of such Distribution on account of such Allowed Claim had such Claim been Allowed as of the Effective Date, together with any interest earned on the ~~lesser of (i) such amount~~ and (ii) the amount retained with respect to such Claim pursuant to this provision, in each case, ~~together with any interest earned on the~~ ~~Distributions retained on such amount~~, but only to the extent that such interest is attributable to the amount of the Allowed Claim; provided, that (x) such amount shall be paid first out of the Available Cash retained on account of such Allowed Claim and second out of Available Cash other than Available Cash retained on account of other Disputed Claims and (y) if the amount available for Distribution pursuant to the foregoing clause (x) is insufficient to remit all Distributions required to be made to such holder pursuant to this sentence, such holder shall receive the amount of such insufficiency on the next subsequent date(s) of Distribution before the holders of any other Claims against such Debtor receive any further Distributions out of Available Cash (other than Available Cash retained on account of other Disputed Claims) from such Debtor. To the extent that a Disputed Claim against a Debtor is ~~not Allowed~~ disallowed by Final Order or becomes an Allowed Claim in an amount less than the amount retained with respect to such Claim pursuant to this provision, the amount that would have been distributed on account of such Disputed Claim, or the excess of the amount of Available Cash that would have been distributed on account of such Disputed Claim over the amount of Available Cash actually distributed on account of such Disputed Claim, shall become Available Cash for Distributions to the holders of Allowed Claims. Nothing in this Section 8.4 of the Plan shall preclude any holder of a Disputed Claim from seeking, on notice to the Plan Administrator, an order of the Bankruptcy Court in respect of or relating to the amount retained with respect to such holder's Disputed Claim. Unless otherwise ordered by the Bankruptcy Court, Available Cash retained on account of Disputed Claims shall not be used by, on behalf of or for the benefit of a Debtor for operating expenses, costs or any purpose other than as set forth in this section. If the Plan Administrator determines, in its sole discretion, that the value of a Debtor's assets (other than such Debtor's Available Cash) exceeds the amount of Available Cash necessary to be retained pursuant to this section on account of Disputed Claims against such Debtor, the Plan Administrator may, subject to Bankruptcy Court approval, on proper notice to all holders of Disputed Claims against such Debtor, release such Available Cash for Distribution to holders of Allowed Claims and retain, in lieu thereof, such Debtor's non-Cash assets to satisfy its Disputed Claims if such Claims become Allowed Claims.

8.5 Minimum Distribution and Manner of Payment. Other than with respect to a Convenience Claim or Convenience Guarantee Claim, no payment of Cash of less than \$500 shall be made by any Debtor to any holder of an Allowed Claim against such Debtor unless a request therefor is made in writing to the Plan Administrator. Any payment of Cash made

pursuant to the Plan may be made at the option of the Plan Administrator either by check or by wire transfer.

8.6 Distributions Free and Clear. Except as otherwise provided herein, any Distributions under the Plan shall be free and clear of any Liens, Claims and encumbrances, and no other entity, including the Debtors or the Plan Administrator shall have any interest, legal, beneficial or otherwise, in assets transferred pursuant to the Plan.

8.7 Delivery of Distributions and Undeliverable Distributions. Distributions to holders of Allowed Claims shall be made at the address of each such holder as set forth on the Schedules filed with the Bankruptcy Court, unless superseded by a new address as set forth (a) on a proof of Claim filed by a holder of an Allowed Claim or (b) in another writing notifying the Plan Administrator (at the addresses set forth in Section ~~15.11~~ 15.12) of a change of address. If any holder's Distribution is returned as undeliverable, no further Distributions to such holder shall be made unless and until the Plan Administrator is notified of such holder's then-current address, at which time all missed Distributions shall be made to such holder at its then-current address, without interest. All demands for undeliverable Distributions shall be made on or before six (6) months after the date such undeliverable Distribution was initially made. Thereafter, the amount represented by such undeliverable Distribution shall irrevocably revert to the applicable Debtor as Available Cash for Distributions to the holders of Allowed Claims, and any Claim in respect of such undeliverable Distribution shall be discharged and forever barred from assertion against such Debtor or its respective property.

8.8 Withholding and Reporting Requirements. In connection with the Plan and all instruments issued in connection therewith and distributed thereon, the Plan Administrator or the Liquidating Trustee (as applicable) shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all Distributions shall be subject to any such withholding or reporting requirements. All such amounts withheld and paid to the appropriate Governmental Unit shall be treated as distributed to such holders. Notwithstanding the above, each holder of an Allowed Claim or Liquidating Trust Interest that is to receive a Distribution shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit, including income, withholding and other tax obligations, on account of such Distribution. The Plan Administrator or the Liquidating Trustee (as applicable), has the right, but not the obligation, to not make a Distribution until such holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations. The Plan Administrator or the Liquidating Trustee (as applicable), may require, as a condition to receipt of a Distribution, that the holder of an Allowed Claim or Liquidating Trust Interest provide a completed Form W-8, W-9 and/or other tax information deemed necessary in the sole discretion of the Plan Administrator or Liquidating Trustee, as applicable to each such holder, provided that if the Plan Administrator or Liquidating Trustee (as applicable) makes such a request and the holder fails to comply before the date that is 180 days after the request is made, the amount of such Distribution shall irrevocably revert to the applicable Debtor or Liquidating Trust and any Claim in respect of such Distribution shall be discharged and forever barred from assertion against such Debtor, Liquidating Trust, or its respective property.

8.9 Time Bar to Cash Payment Rights. Checks issued in respect of Allowed Claims shall be null and void if not negotiated within 90 days after the date of issuance thereof. Requests for reissuance of any check shall be made to the Plan Administrator by the holder of the Allowed Claim to whom such check originally was issued. Any claim in respect of such a voided check shall be made on or before 90 days after the expiration of the 90 day period following the date of issuance of such check. Thereafter, the amount represented by such voided check shall irrevocably revert to the Debtor and any Claim in respect of such voided check shall be discharged and forever barred from assertion against such Debtor and its property.

8.10 Setoffs and Recoupment. Except as otherwise agreed by the Debtors, any Debtor may, but shall not be required to, setoff against or recoup from any Claim and the payments to be made pursuant to the Plan in respect of such Claim any Claims of any nature whatsoever that the Debtor may have against the claimant; *provided, however*, that the claimant is provided written notice of the proposed setoff or recoupment at least ten (10) Business Days prior thereto, and, if such claimant files a written objection to such proposed setoff or recoupment, the Debtor shall not proceed with the setoff or recoupment absent the withdrawal of such objection or the entry of a Final Order overruling such objection but may withhold such payment pending resolution of such objection; *provided, further, however*, that neither the failure to setoff against or recoup from any Claim nor the allowance of any Claim hereunder shall constitute a waiver or release by such Debtor of any such Claim the Debtor may have against such claimant.

8.11 Claims Register. The register of Claims maintained by the Debtors shall remain open after the Effective Date and the Debtors and Plan Administrator shall recognize any transfer of Claims at any time thereafter other than during the period commencing fourteen (14) calendar days prior to and concluding fourteen (14) calendar days after a Distribution Date. Except as otherwise provided in the Plan, any transfer of a Claim, whether occurring prior to or after the Confirmation Date, shall not affect or alter the classification and treatment of such Claim under the Plan and any such transferred Claim shall be subject to classification and treatment under the Plan as if such Claim was held by the transferor who held such Claim on the Commencement Date.

8.12 Allocation of Distributions. Distributions to any holder of an Allowed Claim shall be allocated first to the principal portion of any such Allowed Claim (as determined for federal income tax purposes), and, only after the principal portion of any such Allowed Claim is satisfied in full, to any portion of such Allowed Claim comprising interest (but solely to the extent that interest is an allowable portion of such Allowed Claim).

8.13 Maximum Distribution.

(a) A holder of (i) an Allowed Claim that receives Distributions (excluding Distributions contributed by such holder ~~pursuant~~ to the Plan Adjustment on account of such Allowed Claim) in the Allowed amount of such Claim or (ii) an Allowed Guarantee Claim that receives Distributions (excluding Distributions contributed by such holder to the Plan Adjustment on account of such Allowed Guarantee Claim) that combined with Distributions or other consideration provided ~~to such holder by a~~ on the corresponding Primary ~~Obligor~~ Claim (excluding Distributions contributed by ~~such~~ the holder of such Primary Claim to the Plan Adjustment on account of such Primary Claim) equal the Allowed amount of such ~~holder's~~ Guarantee Claim (or such amount as may be agreed to by the holder and the Debtors); shall, in each case, be deemed satisfied in full as to such Allowed Claim or Allowed Guarantee Claim against the applicable Debtor. To the extent that ~~a holder of~~ an Allowed Guarantee Claim ~~that is~~ deemed satisfied in full ~~would otherwise~~, LBHI shall be entitled to receive future Distributions or consideration on account of ~~such holder's~~ the corresponding Primary Claim, ~~LBHI shall be entitled to receive such Distributions or consideration~~ as subrogee pursuant to Section 8.14(a) of the Plan to the extent of LBHI's Distribution on account of such Guarantee Claim less any amounts received by LBHI from such holder by way of disgorgement. Except as specifically provided with respect to LBHI's rights of subrogation set forth above, nothing contained herein shall in any way affect the rights of the holder of a Guarantee Claim with respect to its corresponding Primary Claim against a Primary Obligor that is not a Debtor.

(b) In no event shall any holder of (i) any Allowed Claim receive Distributions (excluding Distributions contributed by such holder ~~pursuant~~ to the Plan Adjustment on account of such Allowed Claim) in excess of the Allowed amount of such Claim or (ii) an Allowed Guarantee Claim receive Distributions (excluding Distributions contributed ~~pursuant~~ to the Plan Adjustment on account of such Allowed Guarantee Claim) that combined with Distributions or other consideration provided ~~to such holder by a~~ on the corresponding Primary ~~Obligor~~ Claim (excluding Distributions contributed ~~pursuant~~ to the Plan Adjustment on account of such Primary Claim) would allow such holder to receive in excess of the Allowed amount of ~~such holder's~~ the Guarantee Claim (or such amount as may be agreed to by the holder and the Debtors).

(c) To the extent that any Debtor has Available Cash after all Allowed Claims against that Debtor have been satisfied in full in accordance with Section 8.13(a) of the Plan, each holder of each such Allowed Claim shall receive its Pro Rata Share of further Distributions, if any, to the fullest extent permissible under the Bankruptcy Code in satisfaction of postpetition interest on the Allowed amount of such Claims at the rate applicable in the contract or contracts on which such Allowed Claim is based (or, absent such contractual rate, at the statutory rate) until such time as all postpetition interest on all such Allowed Claims has been paid in full.

(d) For purposes of determining whether ~~a holder of~~ an Allowed Claim has been satisfied in full in accordance with Section 8.13(a) of the Plan, all Distributions or other consideration provided by a Primary Obligor in a currency other than the U.S. Dollar shall be converted to the U.S. Dollar applying the existing exchange rate derived from Reuters existing at approximately 3:00 p.m. GMT on the Confirmation Date. Nothing contained in this provision

shall affect the applicable exchange rate for determining the Allowed amount of any Claim under section 502(b) of the Bankruptcy Code.

(e) The Plan Administrator may, in its sole discretion, request that a holder of an Allowed Guarantee Claim, except holders of Allowed Guarantee Claims for which the Subsidiary Debtor is a Primary Obligor, certify in writing and provide evidence reasonably satisfactory to the Plan Administrator to confirm whether: (i) the Primary Claim has been Allowed or disallowed against the Primary Obligor, and, if Allowed, the amount of such Allowed Primary Claim, (ii) the Primary Claim is disputed or subject to objection by a Foreign Administrator or other party, (iii) the consideration, if any, received to date by the holder of such Allowed Primary Claim from the Primary Obligor, (iv) such holder has been notified by or on behalf of the Primary Obligor of any future distributions or payment anticipated or estimated to be made on account of such Primary Claim from the Primary Obligor; or (v) the holder (A) has sufficient assets to satisfy an order or judgment to disgorge any Distributions received with respect to such Allowed Guarantee Claim if it is ultimately determined that such holder is required to disgorge all or a portion of such Distributions and (B) will submit to the jurisdiction of the Bankruptcy Court for purposes of such order or judgment and will not contest the enforcement of such order or judgment in any foreign jurisdiction. If the holder does not also certify, in addition to the foregoing, that the holder has sufficient assets in the United States of America to satisfy an order to disgorge any Distributions with respect to such Allowed Guarantee Claim, unless the Bankruptcy Court ~~order~~orders otherwise, the Plan Administrator may require that the holder post security for any obligation to disgorge Distributions made to such holder on account of such Allowed Guarantee Claim as a condition to the receipt of future Distributions on such Claim if the Plan Administrator reasonably determines that such security is necessary to ensure the recovery of any amount of Distributions made by LBHI to such holder that is ordered to be disgorged. If (i) the Plan Administrator determines, based on the foregoing, that the holder of an Allowed Guarantee Claim has been satisfied in full in accordance with Section 8.13(a) of the Plan, then unless the Bankruptcy Court orders otherwise, no Distributions shall thereafter be made on account of such Allowed Guarantee Claim, or (ii) a holder of an Allowed Guarantee Claim does not comply with this section, then unless the Bankruptcy Court orders otherwise, the Plan Administrator shall not be required to make Distributions on account of such Allowed Guarantee Claim, *provided* that nothing herein shall preclude a holder of an Allowed Guarantee Claim from challenging the determination of the Plan Administrator in the Bankruptcy Court; *provided, further*, that the Plan Administrator shall reserve Distributions with respect to such Allowed Guarantee Claim and, unless the holder of such Allowed Guarantee Claim has been satisfied in full in accordance with Section 8.13(a) of the Plan, promptly after compliance with this section the Plan Administrator shall remit to the holder of such Allowed Guarantee Claim the lesser of (x) the amount reserved pursuant to this section on account of such Allowed Guarantee Claim or (y) the amount necessary to satisfy such Allowed Guarantee Claim in full in accordance with Section 8.13(a) of the Plan.

(f) Any portion of any Distribution made by LBHI to the holder of an Allowed Guarantee Claim that is recovered pursuant to Section 8.13 or 8.14 of the Plan, whether by way of subrogation, disgorgement or otherwise, shall be treated as Available Cash of LBHI and distributed accordingly.

8.14 Rights of Reimbursement.

(a) Except as otherwise agreed by the Debtors, to the extent that a Debtor now has or becomes legally entitled to be subrogated to the rights of any Creditor on account of Distributions made to such Creditor, including, without limitation, on account of any Distributions made to holders of Allowed Guarantee Claims, (i) such Creditor shall be deemed to have consented to the subrogation of its right against any third-party, including, without limitation, a Primary Obligor, that may be obligated to reimburse or indemnify the Debtor for all or a portion of such Distribution, or (ii) the Debtor shall have all rights, title and power as subrogee of the Creditor against any such third-party, including, without limitation, a Primary Obligor, to the fullest extent permitted by applicable law.

(b) Except as otherwise agreed by the Debtors, the Debtors' rights to assert or prosecute Litigation Claims for reimbursement, indemnification, recoupment or any other similar right, including, without limitation, any right to setoff with respect to any of the foregoing, against any entity, including, without limitation, a Primary Obligor, on account of Distributions made to the holders of Allowed Claims or Allowed Guarantee Claims, shall be fully preserved to the fullest extent permitted by applicable law.

8.15 Distributions to Non-Controlled Affiliates. Except as otherwise agreed by the Debtors and a Non-Controlled Affiliate or with respect to LBT or LBSN, the Plan Administrator may determine, in its sole discretion, to withhold all or a portion of a Distribution to a Non-Controlled Affiliate if such Distribution would be distributed by such Non-Controlled Affiliate to satisfy a Claim of a different Non-Controlled Affiliate against which a Debtor has a Claim but the latter Non-Controlled Affiliate has refused to honor such Claim of a Debtor without subordination, reduction or offset unless (a) otherwise agreed to by the Plan Administrator or (b) the priority and amount of a Debtor's Claim against the latter Non-Controlled Affiliate has been determined by Final Order.

ARTICLE IX
Procedures for Treating Disputed Claims

9.1 Objections. The Debtors' rights to object to, oppose and defend against all Claims on any basis are fully preserved. Notwithstanding that a Primary Claim is Allowed against a Primary Obligor, the Debtors reserve the right to object to, oppose and defend against all Guarantee Claims. As of the Effective Date, objections to, and requests for estimation of, all Claims against the Debtors may be interposed and prosecuted only by the Plan Administrator, which shall consult with the applicable Debtor regarding the same. Objections to and requests for estimation of Claims shall be filed with the Court and served on the claimant on or before the later of (a) the date that is 2 years after the Effective Date and (b) such later date as may be fixed by the Bankruptcy Court for cause shown.

9.2 No Distributions Pending Allowance. Notwithstanding any other provision hereof and unless otherwise agreed, if any portion of a Claim is a Disputed Claim, no Distribution shall be made on account of such Claim unless and until such Disputed Claim becomes an Allowed Claim.

9.3 Estimation of Claims. The Plan Administrator may at any time request on behalf of any Debtor that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim, to the extent permitted by the Bankruptcy Code and Bankruptcy Rules, regardless of whether such Debtor previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain exclusive jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated or Disputed Claim, the amount so estimated may constitute ~~either~~(i) the Allowed amount of such Claim ~~or~~, (ii) a maximum limitation on such Claim, (iii) the amount to be reserved in respect of Claim, or (iv) the amount of such Claim for voting purposes, all as determined by the Bankruptcy Court in accordance with the Bankruptcy Code and Bankruptcy Rules. If the estimated amount constitutes a maximum limitation on the amount of such Claim, such Debtor may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation, and resolution procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently disallowed, reduced, compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

9.4 Resolution of Disputed Claims. On and after the Effective Date, the Plan Administrator shall have the authority to compromise, settle or otherwise resolve or withdraw any objections to Claims and to compromise, settle or otherwise resolve any Disputed Claims in accordance with Section 6.1(b)(i) of the Plan.

ARTICLE X

Liquidating Trust

10.1 Execution of Liquidating Trust Agreement. After the Effective Date, and only if the Plan Administrator determines that one or more Liquidating Trusts are in the best interests of one or more Debtors and holders of Allowed Claims against and Equity Interests in such Debtors, the Plan Administrator and a Liquidating Trustee shall execute a Liquidating Trust Agreement, and shall take all other necessary steps to establish a Liquidating Trust and Liquidating Trust Interests therein, which shall be for the benefit of Liquidating Trust Beneficiaries. In the event of any conflict between the terms of this Section 10.1 and the terms of a Liquidating Trust Agreement as such conflict relates to the establishment of a Liquidating Trust, the terms of this Section 10.1 shall govern. A Liquidating Trust Agreement may provide powers, duties and authorities in addition to those explicitly stated herein, but only to the extent that such powers, duties, and authorities do not affect the status of a Liquidating Trust as a “liquidating trust” for United States federal income tax purposes.

10.2 Purpose of the Liquidating Trust. Each Liquidating Trust shall be established for the sole purpose of liquidating and distributing the assets of the Debtor contributed to such Liquidating Trust in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business.

10.3 Liquidating Trust Assets. Each Liquidating Trust shall consist of Liquidating Trust Assets. After the creation of a Liquidating Trust pursuant to Section 10.1 of the Plan, the Plan Administrator shall transfer all of the Liquidating Trust Assets to a Liquidating Trust.

Liquidating Trust Assets may be transferred subject to certain liabilities, as provided in a Liquidating Trust Agreement. Such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax pursuant to section 1146(a) of the Bankruptcy Code.

10.4 Administration of the Liquidating Trust. Each Liquidating Trust shall be administered by a Liquidating Trustee pursuant to a Liquidating Trust Agreement and the Plan. In the event of an inconsistency between the Plan and a Liquidating Trust Agreement as such conflict relates to anything other than the establishment of a Liquidating Trust, the Liquidating Trust Agreement shall control.

10.5 Liquidating Trustee's Tax Power for Debtors. A Liquidating Trustee shall have the same authority in respect of all taxes of the Debtors, and to the same extent, as if the Liquidating Trustee were the Debtor.

10.6 Cash Investments. A Liquidating Trustee may invest Cash (including any earnings thereon or proceeds therefrom); *provided, however*, that such investments are investments permitted to be made by a "liquidating trust" within the meaning of Treas. Reg. § 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings or other controlling authorities.

10.7 Distribution of Liquidating Trust Interests. A Liquidating Trustee is required to distribute to the holders of Allowed Claims on account of their Liquidating Trust Interests, on a semi-annual basis, all Available Cash (including any Cash received from the Debtors and treating any permissible investment as Cash for purposes of this Section 10.7), less such amounts that may be reasonably necessary to (a) meet contingent liabilities and to maintain the value of the Liquidating Trust Assets during liquidation, (b) pay reasonable incurred or anticipated expenses (including, without limitation, any taxes imposed on or payable by the Debtors or Liquidating Trust or in respect of the Liquidating Trust Assets), or (c) satisfy other liabilities incurred or anticipated by such Liquidating Trust in accordance with the Plan or Liquidating Trust Agreement; *provided, however*, that such Liquidating Trustee shall not be required to make a Distribution pursuant to this Section 10.7 of the Plan if such Liquidating Trustee determines that the expense associated with making the Distribution would likely utilize a substantial portion of the amount to be distributed, thus making the Distribution impracticable.

10.8 Federal Income Tax Treatment of Liquidating Trust. For all United States federal income tax purposes, all parties (including, without limitation, the Debtors, a Liquidating Trustee and Liquidating Trust Beneficiaries) shall treat the transfer of Liquidating Trust Assets to a Liquidating Trust as (1) a transfer of Liquidating Trust Assets (subject to any obligations relating to those assets) directly to Liquidating Trust Beneficiaries (other than to the extent Liquidating Trust Assets are allocable to Disputed Claims), followed by (2) the transfer by such beneficiaries to a Liquidating Trust of Liquidating Trust Assets in exchange for Liquidating Trust Interests. Accordingly, Liquidating Trust Beneficiaries shall be treated for United States federal income tax purposes as the grantors and owners of their respective share of Liquidating Trust Assets (other than such Liquidating Trust Assets as are allocable to Disputed Claims). The foregoing

treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

10.9 Tax Reporting.

(a) A Liquidating Trustee shall file tax returns for a Liquidating Trust treating such Liquidating Trust as a grantor trust pursuant to Treas. Reg. § 1.671-4(a) and in accordance with this Section 10.9(a). A Liquidating Trustee also shall annually send to each holder of a Liquidating Trust Interest a separate statement regarding the receipts and expenditures of the Liquidating Trust as relevant for U.S. federal income tax purposes and will instruct all such holders to use such information in preparing their U.S. federal income tax returns or to forward the appropriate information to such holders' underlying beneficial holders with instructions to utilize such information in preparing their U.S. federal income tax returns.

(b) Allocations of Liquidating Trust taxable income among Liquidating Trust Beneficiaries (other than taxable income allocable to any assets allocable to, or retained on account of, Disputed Claims) shall be determined by reference to the manner in which an amount of Cash representing such taxable income would be distributed (were such Cash permitted to be distributed at such time) if, immediately prior to such deemed Distribution, the Liquidating Trust had distributed all its assets (valued at their tax book value, other than assets allocable Disputed Claims) to the holders of Liquidating Trust Interests, adjusted for prior taxable income and loss and taking into account all prior and concurrent Distributions from a Liquidating Trust. Similarly, taxable loss of a Liquidating Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a hypothetical liquidating distribution of the remaining Liquidating Trust Assets. The tax book value of Liquidating Trust Assets for purpose of this paragraph shall equal their fair market value on the date Liquidating Trust Assets are transferred to a Liquidating Trust, adjusted in accordance with tax accounting principles prescribed by the IRC, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

(c) As soon as reasonably practicable after Liquidating Trust Assets are transferred to a Liquidating Trust, a Liquidating Trustee shall make a good faith valuation of Liquidating Trust Assets. Such valuation shall be made available from time to time to all parties to the Liquidating Trust (including, without limitation, the Debtors and Liquidating Trust Beneficiaries), to the extent relevant to such parties for tax purposes, and shall be used consistently by such parties for all United States federal income tax purposes.

(d) Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by a Liquidating Trustee of a private letter ruling if such Liquidating Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by such Liquidating Trustee), such Liquidating Trustee (i) may timely elect to treat any Liquidating Trust Assets allocable to Disputed Claims as a "disputed ownership fund" governed by Treas. Reg. § 1.468B-9, and (ii) to the extent permitted by applicable law, shall report consistently for state and local income tax purposes. If a "disputed ownership fund" election is made, all parties (including such Liquidating Trustee, the

Debtors and Liquidating Trust Beneficiaries) shall report for United States federal, state and local income tax purposes consistently with the foregoing.

(e) A Liquidating Trustee shall be responsible for payment, out of Liquidating Trust Assets, of any taxes imposed on a Liquidating Trust or its assets.

(f) A Liquidating Trustee may request an expedited determination of taxes of a Liquidating Trust, including any reserve for Disputed Claims, or of the Debtor as to whom the Liquidating Trust was established, under section 505(b) of the Bankruptcy Code for all tax returns filed for, or on behalf of, such Liquidating Trust or the Debtor for all taxable periods through the dissolution of such Liquidating Trust.

10.10 Dissolution.

(a) A Liquidating Trustee and Liquidating Trust shall be discharged or dissolved, as the case may be, at such time as (i) all of the Liquidating Trust Assets have been distributed pursuant to the Plan and a Liquidating Trust Agreement, (ii) a Liquidating Trustee determines, in its sole discretion, that the administration of any remaining Liquidating Trust Assets is not likely to yield sufficient additional Liquidating Trust proceeds to justify further pursuit, or (iii) all Distributions required to be made by a Liquidating Trustee under the Plan and a Liquidating Trust Agreement have been made; *provided, however*, that in no event shall a Liquidating Trust be dissolved later than three (3) years from the creation of such Liquidating Trust pursuant to Section 10.1 of the Plan unless the Bankruptcy Court, upon motion within the six-month period prior to the third (3rd) anniversary (or within the six-month period prior to the end of an extension period), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the Liquidating Trustee that any further extension would not adversely affect the status of the trust as a liquidating trust for United States federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Liquidating Trust Assets.

(b) If at any time a Liquidating Trustee determines, in reliance upon such professionals as a Liquidating Trustee may retain, that the expense of administering a Liquidating Trust so as to make a final Distribution to Liquidating Trust Beneficiaries is likely to exceed the value of the assets remaining in such Liquidating Trust, such Liquidating Trustee may apply to the Bankruptcy Court for authority to (i) reserve any amount necessary to dissolve such Liquidating Trust, (ii) donate any balance to a charitable organization (A) described in section 501(c)(3) of the IRC, (B) exempt from United States federal income tax under section 501(a) of the IRC, (C) not a “private foundation”, as defined in section 509(a) of the IRC, and (D) that is unrelated to the Debtors, such Liquidating Trust, and any insider of such Liquidating Trustee, and (iii) dissolve such Liquidating Trust.

ARTICLE XI

Treatment of Executory Contracts and Unexpired Leases

11.1 Executory Contracts and Unexpired Leases. Pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, all executory contracts and unexpired leases that exist

between a Debtor and any person or entity shall be deemed rejected by such Debtor, as of the Effective Date, except for any executory contract or unexpired lease (a) that has been assumed pursuant to an order of the Bankruptcy Court entered prior to the Effective Date, (b) as to which a motion for approval of the assumption or rejection of such executory contract or unexpired lease has been filed prior to the Confirmation Date, or (c) that is specifically designated in the Plan Supplement as a contract or lease to be assumed by the Debtor; *provided, however*, that the Debtors reserve the right, on or prior to the Confirmation Date, to amend the Plan Supplement to remove any executory contract or unexpired lease therefrom or add any executory contract or unexpired lease thereto, in which event such executory contract(s) or unexpired lease(s) shall, as of the Effective Date, be deemed to be, respectively, rejected or assumed. The Debtors shall provide notice of any amendments to the Plan Supplement to the parties to the executory contracts and unexpired leases affected thereby. The listing of or failure to list a document in the Plan Supplement shall not constitute an admission by the Debtors that such document is or is not an executory contract or an unexpired lease or that the Debtors have any liability thereunder.

11.2 Approval of Assumption and Rejection of Executory Contracts and Unexpired Leases. Entry of the Confirmation Order shall, subject to and upon the occurrence of the Effective Date, constitute (a) the approval, pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, of the assumption of the executory contracts and unexpired leases assumed or assumed and assigned pursuant to the Plan and (b) the approval, pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, of the rejection of the executory contracts and unexpired leases rejected pursuant to the Plan. To the extent any provision of an executory contract or unexpired lease to be assumed by any of the Debtors under the Plan limits such Debtor's ability to assign such executory contract or unexpired lease, the effectiveness of such provision shall be limited or nullified to the full extent provided in section 365(f) of the Bankruptcy Code.

11.3 Cure of Defaults. Except as may otherwise be agreed to by the parties, within thirty (30) days after the Effective Date, the Debtor shall cure any and all undisputed defaults under any executory contract or unexpired lease assumed by the Debtor pursuant to the Plan, in accordance with section 365(b) of the Bankruptcy Code. All disputed defaults that are required to be cured shall be cured either within thirty (30) days of the entry of a Final Order determining the amount, if any, of the Debtor's liability with respect thereto, or as may otherwise be agreed to by the parties.

11.4 Bar Date for Filing Proofs of Claim Relating to Executory Contracts and Unexpired Leases Rejected Pursuant to the Plan. Claims arising out of the rejection of an executory contract or unexpired lease pursuant to the Plan must be filed with the Bankruptcy Court and served upon the relevant Debtor no later than forty-five (45) days after the later of (a) notice of entry of an order approving the rejection of such executory contract or unexpired lease, (b) notice of entry of the Confirmation Order and occurrence of the Effective Date, and (c) notice of an amendment to the Plan Supplement relating to such executory contract or unexpired lease. **Except as set forth in the preceding sentence, all such Claims must otherwise comply with the provisions of the Bar Date Order. All such Claims not filed in accordance with the foregoing will be forever barred from assertion against the Debtors and their estates.** Any Claim arising out of the rejection of an executory contract or unexpired lease pursuant to the

Plan shall be classified as a General Unsecured Claim or Convenience Claim, as applicable, against the Debtor that is a party to such executory contract or unexpired lease.

11.5 Insurance Policies. To the extent that any of the Debtors' insurance policies and any agreements, documents or instruments with insurers relating thereto constitute executory contracts, such contracts shall be deemed assumed under the Plan. Nothing contained herein shall constitute or be deemed a waiver of any Litigation Claims that the Debtors may hold against any entity, including, without limitation, the insurer under any of the Debtors' policies of insurance.

11.6 Indemnification Obligations. Subject to the occurrence of the Effective Date, the obligations of each Debtor to indemnify, defend, reimburse or limit the liability of (a) directors, officers and any other employee who is held responsible for obligations of the Debtor incurred after the Commencement Date who are directors, officers or employees of such Debtor or a Debtor-Controlled Entity on or after the Commencement Date and (b) Released Parties, respectively, against any Claims or Causes of Action as provided in the Debtor's articles of organization, certificates of incorporation, bylaws, other organizational documents or applicable law, shall survive confirmation of the Plan, shall be assumed by such Debtor and will remain in effect after the Effective Date. Any such assumed obligations owed in connection with an event occurring after the Commencement Date shall be paid as an Administrative Expense Claim under the Plan. Any such obligations owed in connection with an event occurring before the Commencement Date shall be treated as pre-petition Claims under the Plan. Nothing in the Plan shall in any way limit, modify, alter or amend the Debtor's limitation of liability of the Independent Directors set forth in Section 10.1 of the Restated Certificate of Incorporation of LBHI.

ARTICLE XII

Effectiveness of the Plan

12.1 Conditions Precedent to the Confirmation of the Plan. The following are conditions precedent to the confirmation of the Plan with respect to each Debtor:

(a) The Bankruptcy Court shall have entered the Structured Securities Order in form and substance satisfactory to the Debtors and the Creditors' Committee; and

(b) The Bankruptcy Court shall have entered a Confirmation Order with respect to the Plan for all of the Participating Debtors in form and substance satisfactory to the respective Debtor and the Creditors' Committee.

12.2 Conditions Precedent to the Effective Date of the Plan. The following are conditions precedent to the Effective Date of the Plan with respect to each Debtor:

(a) The Confirmation Order, in form and substance acceptable to the Debtors and the Creditors' Committee, shall have been entered;

(b) All actions and all agreements, instruments or other documents necessary to implement the terms and provisions of the Plan are effected or executed and delivered, as applicable, in form and substance satisfactory to the Debtors;

(c) All authorizations, consents and regulatory approvals, if any, required by the Debtors in connection with the consummation of the Plan are obtained and not revoked; and

(d) The certificate of incorporation and by-laws of the Debtors shall have been amended to the extent necessary to effectuate the Plan.

12.3 Waiver of Conditions. Notwithstanding the foregoing, each Debtor reserves its right, upon obtaining the consent of the Creditors' Committee, to waive the occurrence of the conditions precedent to the (a) Confirmation of its Plan set forth in Section 12.1 and (b) Effective Date set forth in Section 12.2 of the Plan other than Section 12.2(a) of the Plan. Any such waiver may be effected at any time, without notice, without leave or order of the Bankruptcy Court, and without any formal action other than proceeding to consummate the Plan. Any actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously, and no such action shall be deemed to have occurred prior to the taking of any other such action. If any of the Debtors decide, with the consent of the Creditors' Committee, that one of the conditions precedent to the Effective Date of its Plan cannot be satisfied and the occurrence of such condition is not waived or cannot be waived, then the Debtor shall file a notice of the inability to satisfy such condition prior to the Effective Date with the Bankruptcy Court.

ARTICLE XIII

Effects of Confirmation

13.1 Vesting of Assets. Upon the Effective Date, pursuant to section 1141(b) and (c) of the Bankruptcy Code, all Property of the Estate of a Debtor shall vest in that Debtor free and clear of all Claims, Liens, encumbrances, charges and other interests, except as provided herein. 13.2 Binding Effect. 13.3 Release and Exculpation. **On and after the Effective Date, the Debtors and all entities who have held, hold or may hold Claims against or Equity Interests in any or all of the Debtors (whether proof of such Claims or Equity Interests has been filed or not),**

along with their respective present or former employees, agents, officers, directors or principals, shall be deemed to have released (a) the Released Parties from, and none of the Released Parties shall have or incur any liability for, any Claim for, Cause of Action for or other assertion of liability for any act taken or omitted to be taken during the Chapter 11 Cases in connection with, or arising out of, the Chapter 11 Cases, the negotiation, formulation, dissemination, confirmation, consummation or administration of the Plan, property to be distributed under the Plan or any other act or omission in connection with the Chapter 11 Cases, the Plan, the Disclosure Statement, the Plan Support Agreements or any contract, instrument, document or other agreement related thereto and (b) the PSA Creditors from, and none of the PSA Creditors shall have or incur any liability for, any Claim for, Cause of Action for or other assertion of liability for any act taken or omitted to be taken in connection with, or arising out of, the negotiation, formulation, dissemination or confirmation, consummation or administration of the Plan, or any other act or omission in connection with the Plan, the Disclosure Statement, the Plan Support Agreements, including the filing of any alternative chapter 11 plan and any determination to not pursue solicitation or confirmation of such alternative plan, or any contract, instrument, document or other agreement related thereto; *provided, however*, that (i) in no event shall any Litigation Claim, Cause of Action or other Claim or assertion of liability against any Released Party or PSA Creditor for any act taken or omitted to be taken prior to the Commencement Date be released by the Plan, (ii) nothing herein shall affect or release any obligation of the Debtors under the Plan, and (iii) nothing herein shall affect the liability of any person that otherwise would result from any such act or omission to the extent such act or omission is determined by a Final Order to have constituted willful misconduct or gross negligence; *provided, further*, that nothing in this Plan shall limit the liability of the professionals of the Debtors, the Creditors' Committee or the PSA Creditors to their respective clients pursuant to ~~DR-6-102~~[Rule 1.8\(h\)\(1\)](#) of the ~~Model Code~~[New York Rules](#) of Professional ~~Responsibility~~[Conduct](#).

13.4 **Discharge.** Except as expressly provided in the Plan, upon the date that all Distributions under the Plan have been made, (a) each holder (as well as any trustees and agents on behalf of each holder) of a Claim against or Equity Interest in a Debtor shall be deemed to have forever waived, released and discharged the Debtors, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Equity Interests, rights and liabilities that arose prior to the Effective Date and (b) all such holders shall be forever precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any discharged Claim against or terminated Equity Interest in the Debtors.

13.5 **Injunction.** Except as expressly provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court, all entities who have held, hold or may hold Claims against or Equity Interests in any or all of the Debtors and other parties in interest (whether proof of such Claims or Equity Interests has been filed or not), along with their respective present or former employees, agents, officers, directors or principals, are permanently enjoined, on and after the Effective Date, solely with respect to any Claims and Causes of Action which are extinguished or released pursuant to the Plan from (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including, without limitation, any proceeding in a

judicial, arbitral, administrative or other forum) against or affecting the Released Parties or the property of any of the Released Parties, (ii) enforcing, levying, attaching (including, without limitation, any prejudgment attachment), collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree, or order against the Released Parties or the property of any of the Released Parties, (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the Released Parties or the property of any of the Released Parties, (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Released Parties or the property of any of the Released Parties, except as contemplated or allowed by the Plan; (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan; and (vi) taking any actions to interfere with the implementation or consummation of the Plan.

13.6 United States Government. As to the United States, its agencies, departments or agents, nothing in the Plan or Confirmation Order shall discharge, release or otherwise preclude: (a) any liability of the Debtors arising on or after the Effective Date; (b) any liability that is not a Claim against a Debtor; (c) any valid right of setoff or recoupment; or (d) any liability of the Debtors arising under environmental or criminal laws as the owner or operator of property that such Debtor owns after the Effective Date. The discharge and injunction provisions contained in the Plan and Confirmation Order are not intended and shall not be construed to bar the United States from, subsequent to the Effective Date, pursuing any police or regulatory action.

13.7 Terms of Injunctions or Stays. Unless otherwise provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Cases under section 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the closing of all of the Chapter 11 Cases.

13.8 Retention of Litigation Claims and Reservation of Rights. Except as expressly provided in the Plan, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or the relinquishment of any rights, defenses or Litigation Claims that the Debtors may have or choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or any applicable nonbankruptcy law that the Debtors had prior to the Effective Date, including, without limitation, (a) any and all Claims against any person or entity, to the extent such person or entity asserts a crossclaim, counterclaim, and/or Claim for setoff which seeks affirmative relief against the Debtors, their officers, directors, or representatives, (b) any and all Claims or rights arising under any tax sharing agreement among the Debtors and their Affiliates (including the tax sharing agreement among the Debtors and LBI based on their regular and consistent course of conduct over many years), (c) any and all Claims for reimbursement of costs incurred for the benefit of any Affiliate, including in connection with the disposition of an Affiliate's assets; (d) any and all Avoidance Actions, and (e) any right of setoff or other legal or equitable defense and remedies. The Debtors shall have, retain, reserve, and may assert all such rights, defenses or Litigation Claims after the Effective Date fully as if the Chapter 11 Cases had not been commenced.

13.9 Barclays Sale Order. Nothing contained in the Plan, the Disclosure Statement or the Confirmation Order constitutes or shall be construed as any modification or amendment to

the Barclays Sale Order and the rights and defenses of each of the Debtors, the SIPA Trustee (on behalf of LBI), Barclays Bank PLC and Barclays Capital Inc., with respect to any litigation, adversary proceeding, contested matter, claims adjudication, appeal or other dispute against the other are fully preserved, including, without limitation, any rights, defenses, counterclaims and/or cross-claims asserted in connection with or related to the Sale Order.

Each of the subcommittees shall be deemed dissolved upon the

earliest to occur of (i) voluntary agreement of the members of the subcommittee, (ii) the completion of the subcommittee's responsibilities, and (iv) the Closing Date.

In the discretion of the Plan Administrator, each Debtor or Debtor Controlled-Entity (a) may form and transfer certain assets of the Debtors and/or Debtor Controlled Entities to new (or utilize existing) entities, including, without limitation, one or more separately managed partnerships, REITs or other investment vehicles, to hold certain real estate or other assets of the Debtors and/or Debtor-Controlled Entities and, (b) may, in connection therewith, issue New Securities for Distribution under the Plan. In the event that the Plan Administrator determines to issue New Securities, each holder of Allowed Claims or Equity Interests against a Debtor that contributed assets to the entity issuing New Securities shall receive the relevant New Securities as Distributions in accordance with the Plan. The New Securities shall be valued as of the date of the issuance and the holders of Allowed Claims or Equity Interests receiving such New Securities shall be deemed satisfied to the extent of the value of the New Securities.

15.3 Exemption from Securities Laws. To the maximum extent provided by section 1145 of the Bankruptcy Code and applicable non-bankruptcy law, the issuance of any New Securities or Liquidating Trust Interests will be exempt from registration under the Securities Act of 1933, as amended, and all rules and regulations promulgated thereunder and any other applicable non-bankruptcy law or regulation.

15.5 Plan Supplement. The Debtor Allocation Agreement, the amended certificate and by-laws of the Debtors (if any) in accordance with Section 7.7, the Plan Trust Agreement and a list of any contracts or leases to be assumed or assumed and assigned by the Debtors in accordance with Section 11.1, shall be contained in the Plan Supplement that is filed with the Clerk of the Bankruptcy Court at least ten (10) days prior to the Voting Deadline. Upon its filing with the Bankruptcy Court, the Plan Supplement may be obtained on the Debtors' independent website at www.lehman-docket.com or by request to the Debtors in accordance with Section ~~15.11~~ 15.12 of the Plan.

(B) a description (including asset name, type and material terms) of any new investments in any asset or permitted expenditures to preserve existing assets (in each case, in a single transaction or a series of related transactions on a cumulative basis after the Effective Date in excess of \$25 million);

(C) a description (including asset name, type and material terms) of any restructurings, settlements, sales (including disclosure of any gains or losses relative to the market value reported in the prior period balance sheet, and relative to forecasted undiscounted cash flow estimates as of a designated date for principal amounts), wind-downs or liquidations of the Debtors’ existing assets, in each case, solely with respect to any asset that has a forecasted undiscounted cash flow principal amount estimate of greater than \$50 million for derivatives, loan, or private equity or principal investments assets or \$75 million for real estate assets;

Notwithstanding the foregoing, the Plan Administrator or the board of directors or manager for a Debtor may in its sole discretion modify or include less information in any of the foregoing reports than listed above if the Plan Administrator or the board of directors or manager for a Debtor determines in its reasonable discretion that disclosing any such information would be unduly burdensome, such information is or has become immaterial or no longer meaningful as the activities of the Debtor(s) evolve, such disclosure could place the Debtor(s) in a competitive or negotiation disadvantage, or such disclosure is precluded by confidentiality limitations.

15.7 Payment of Statutory Fees. On the Effective Date and thereafter, the Plan Administrator and any Liquidating Trustee thereafter appointed, shall pay all fees incurred pursuant to Section 1930 of title 28, United States Code, together with interest, if any, pursuant to Section 3717 of title 31, United States Code for each Debtor's case, or until such time as a final decree is entered closing a particular Debtor's case, a Final Order converting such Debtor's case to a case under Chapter 7 of the Bankruptcy Code or a Final Order dismissing such Debtor's case is entered.

Subject to the terms and conditions of the Plan Support Agreements, the Plan may be altered, amended, or modified at any time after the Confirmation Date and before substantial consummation, provided that the Plan, as altered, amended or modified satisfies the requirements of sections 1122 and 1123 of the Bankruptcy Code and the Bankruptcy Court, after notice and a hearing, confirms the Plan, as altered, modified or amended, under section 1129 of the Bankruptcy Code and the circumstances warrant such alterations, amendments or modifications. 15.9 ~~15.8~~ Withdrawal or Revocation of the Plan. Subject to the terms and conditions of the Plan Support Agreements, the Debtors reserve the right to withdraw or revoke the Plan at any time prior to the Confirmation Date. If the Debtors revoke or withdraw the Plan prior to the Confirmation Date, or if the Confirmation Date does not occur, then the Plan shall be deemed null and void. In such event, nothing contained herein shall be deemed to constitute a waiver or release of any Claim by or against the Debtors or any other person or to prejudice in any manner the rights of the Debtors or any other person in any further proceedings involving the Debtors.

15.10 ~~15.9~~ Courts of Competent Jurisdiction. If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Plan, such abstention, refusal or failure of jurisdiction shall have no

effect upon and shall not control, prohibit, or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.
